Lesson and Teaching information.

Component	Details
Date	2026
Subject	English
Grade	6
Number of Learners	20
Age Group	10–11 years
Lesson Topic	Reading a Simple Folk Story: Andare and the Sweet Mangoes
Unit / Activity	Supplementary Grade 6 folk story based on Andare
Duration	40 minutes
Teaching Model	Pre-reading, While-reading and Post-reading Model
Main Language Focus	Reading for characters, setting, sequence, qualities, message and personal response
Integrated Skills	Reading, speaking and limited writing
Competency	Competency 5 – Extracts necessary information from various types of texts.
Competency Level	5.5 Reads and understands simple folk stories.
Teaching Techniques	Prediction, skimming, scanning, guided reading, sequencing, evidence-based inference, group retelling and formative assessment
Teaching Aids	Andare picture, short folk story, event strips, character cards, story map, message cards, exit slip and board

KASP Domain	Students will be able to...
Knowledge	identify the characters, setting, problem and main events of a simple folk story.
Attitudes	appreciate humour, cleverness and honesty in a traditional story.
Skills	sequence events and describe a character quality using evidence from the story.
Participation	work actively in pairs and groups to complete a story map and retell the story.
Component	Details
Prior Knowledge	Learners are familiar with simple Sri Lankan folk tales and common past-tense action verbs.
Component	Details
Classroom Management	Learners work in mixed-ability pairs and groups. The teacher models each strategy and provides numbered paragraph cues, fewer event strips and sentence frames for slow learners. All annexes are suitable for black-and-white photocopying.

Lesson Procedure

STAGE 1: Pre-reading – Prediction (5 minutes)

Component	Details
Stage Aim	To activate knowledge of folk stories and predict the characters and problem.
Teacher Activity	Shows a picture of Andare, the king and a basket of mangoes. Asks what learners know about Andare and what might happen.
Learner Activity	Share prior knowledge and make simple predictions.
Support for slow learners	Uses picture prompts and accepts phrases before full sentences.
Interaction	T–Ss
Materials	Picture prompt – Annex 01
ILOs	Knowledge, Attitudes
ICQs / Assessment	Checks predictions about character, setting and possible problem.

STAGE 2: While-reading – Opening and Story Map (6 minutes)

Component	Details
Stage Aim	To identify characters, setting and problem.
Teacher Activity	Reads the opening aloud and models filling the first three parts of a story map.
Learner Activity	Follow, identify who, where and the problem.
Support for slow learners	Provides labelled icons for character, place and problem.
Interaction	T–Ss
Materials	Story and story map – Annexes 02–03
ILOs	Knowledge, Skills
ICQs / Assessment	ICQs: “Is the problem the ending?” – No. “Do we find it near the beginning?” – Usually yes.

STAGE 3: While-reading – Read and Sequence (10 minutes)

Component	Details
Stage Aim	To understand and order the main events.
Teacher Activity	Distributes the full story and six event strips. Asks pairs to underline key actions and arrange the events.
Learner Activity	Read silently, underline actions and sequence the events.
Support for slow learners	Uses numbered paragraph cues and four simplified strips for the support group.
Interaction	Pair work
Materials	Story and event strips – Annex 02
ILOs	Knowledge, Skills, Participation
ICQs / Assessment	Checks the order and asks learners to point to textual evidence.

STAGE 4: While-reading – Character and Message (8 minutes)

Component	Details
Stage Aim	To infer qualities and identify the message.
Teacher Activity	Asks groups to match actions with clever, greedy, honest and amused. Models: “Andare was clever because...”
Learner Activity	Complete the character-evidence chart and choose the best message.
Support for slow learners	Provides sentence frames and two possible messages.
Interaction	Group work
Materials	Character and message chart – Annex 04
ILOs	Attitudes, Skills, Participation
ICQs / Assessment	ICQs: “Do we choose a quality without evidence?” – No. “Do we explain why?” – Yes.

STAGE 5: Post-reading – Retell and Respond (6 minutes)

Component	Details
Stage Aim	To retell the story and express a personal response.
Teacher Activity	Gives six event cards to each group and invites a brief retelling. Asks: “Was Andare right to eat the mango? Why?”
Learner Activity	Retell one event each and express a simple opinion.
Support for slow learners	Provides past-tense verbs and opinion frames.
Interaction	Group presentation
Materials	Retelling cards – Annex 05
ILOs	Attitudes, Skills, Participation
ICQs / Assessment	Assesses sequence, main details and relevance of response.

STAGE 6: Assessment and Follow-up (5 minutes)

Component	Details
Stage Aim	To assess independent understanding.
Teacher Activity	Exit slip: one character, one quality with evidence and one message. Homework: ask an elder for the title and message of a folk story.
Learner Activity	Complete the exit slip independently.
Support for slow learners	Provides three sentence starters.
Interaction	Individual
Materials	Exit slip – Annex 06
ILOs	Knowledge, Skills
ICQs / Assessment	Success criterion: three accurate and relevant responses.
