Assumed Prior Knowledge

Component	Details
Prior Knowledge	Learners know simple greetings, requests, questions, thanking expressions and yes/no responses. They have practised short dialogues and role plays in familiar situations.

Classroom Management Plan

Component	Details
Classroom Management	Learners work in mixed-ability pairs and small groups. The teacher distributes one role-play card per pair and sets clear time limits. Learners are reminded to speak politely, take turns and use cue words rather than reading a full script.

Lesson Procedure

STAGE 1:

Component	Details
Stage Aim	To activate learners' knowledge of language used in familiar contexts.
Teacher Activity	The teacher displays four pictures: a classroom, a shop, a bus stop and a school office. The teacher asks: "Where are they?" and "What might people say in each place?"
Learner Activity	Learners identify the contexts and suggest simple expressions or questions.
Support for slow learners	The teacher provides picture-supported expression choices and accepts short responses before expanding them.
Interaction	T–Ss / Ss–T
Materials	Context picture cards
ILOs	ILO 1 and ILO 3

ICQs / Assessment	The teacher checks whether learners identify the four contexts and suggest at least one suitable expression.
--------------------------	--

STAGE 2:

Component	Details
Stage Aim	To present suitable language for different everyday contexts.
Teacher Activity	The teacher models short dialogues: Classroom—"May I come in?" "Yes, you may." Shop—"How much is this?" "It is one hundred rupees." Bus stop—"Does this bus go to town?" "Yes, it does." School office—"Could I speak to the principal, please?" "Please wait a moment." The teacher highlights polite expressions and context clues.
Learner Activity	Learners listen, repeat key lines and match each dialogue with the correct context.
Support for slow Learners	The teacher presents one dialogue at a time and keeps context labels and expression strips visible.
Interaction	T–Ss
Materials	Model dialogues and expression strips
ILOs	ILO 1 and ILO 2
ICQs / Assessment	ICQs: "Do we ask the price in the classroom?" – No. "Do we use polite words in the school office?" – Yes.

STAGE 3:

Component	Details
Stage Aim	To practise selecting and producing context-appropriate expressions.
Teacher Activity	The teacher displays situation prompts such as asking permission, buying an item, asking about a bus and requesting to meet a teacher. Learners choose and say the most suitable expression.

Learner Activity	Learners respond orally to each situation and practise short two-line exchanges.
Support for slow Learners	An expression bank is provided under the four context headings. Learners may rehearse chorally before individual responses.
Interaction	T–Ss / Individual response
Materials	Situation cards and expression bank
ILOs	ILO 1, ILO 2 and ILO 3
ICQs / Assessment	The teacher listens for suitable expression choice, politeness and understandable pronunciation.

STAGE 4:

Component	Details
Stage Aim	To prepare and rehearse a short contextual dialogue in pairs.
Teacher Activity	The teacher distributes role-play cards. Each pair selects roles, plans key expressions and rehearses a four-to-six-line dialogue. The teacher monitors and supports language choice.
Learner Activity	Learners prepare and rehearse their dialogues using the context and role prompts.
Support for slow Learners	A dialogue frame and useful-expression box are included. Stronger learners add a problem and a suitable solution.
Interaction	Pair work
Materials	Role-play cards – Annex 01
ILOs	ILO 2, ILO 3 and ILO 4
ICQs / Assessment	ICQs: “Do both learners speak?” – Yes. “Do you use language that matches the place?” – Yes. “Do you read a full written paragraph?” – No.

STAGE 5:

Component	Details
Stage Aim	To perform language appropriately in a selected context.
Teacher Activity	Pairs perform their role plays for the class or another group. The teacher and peers use a simple checklist to assess suitable language, politeness, pronunciation and turn-taking.
Learner Activity	Learners perform their dialogues and listen respectfully to other pairs.
Support for slow Learners	Learners may hold cue cards and receive one quiet prompt from the teacher if necessary.
Interaction	Pair presentation / Whole class
Materials	Speaking checklist – Annex 02
ILOs	ILO 2, ILO 3 and ILO 4
ICQs / Assessment	The teacher checks whether the dialogue contains at least four relevant lines and appropriate expressions.

STAGE 6:

Component	Details
Stage Aim	To assess individual ability to choose language for a new context and extend learning.
Teacher Activity	The teacher reads three new situations: borrowing a library book, asking for directions and requesting help from a teacher. Individual learners give one suitable expression for each. Homework: prepare a six-line dialogue for one familiar context at home or school.
Learner Activity	Learners respond individually and record the homework.
Support for slow Learners	A small polite-expression bank remains visible during the exit task.
Interaction	T–S / Individual work
Materials	Exit situation cards – Annex 03
ILOs	ILO 1, ILO 2 and ILO 4

ICQs / Assessment	Success criterion: learners give suitable responses for at least two out of three new contexts.
