PGP 8503 - Teaching Practicum

Observation Protocol (for Mentors and Supervisors)

Name of Student: *A. N. Sumanasena*

Date and time: *16th July 2026.*

Name of Mentor/Supervisor: *M. K. D. A. Alwis*

Place: *A/ Gaminuwewa V.
Medawachchiya.*

Language skills and functions taught:

Evaluate the student based on the criteria given below. Please use additional paper if necessary.

Write down specific example(s) from the teaching observation to support your comment.

	Criterion	Comment
1	Classroom management	<i>The classroom was managed positively through encouragement and clear guidance, creating a positive and productive learning environment.</i>
2	Teacher talks time vs. student talk time	<i>Teacher talking time was qualitative for the lesson and students were given more time to come up with their ideas, answers and findings - eg: group work.</i>
3	Rapport with students	<i>The teacher established a warm and respectful rapport with the students. eg: They were interested in asking questions and giving answers.</i>

4	Scaffolding	The teacher provided timely support and used appropriate scaffolding strategies. (Visual aids, task sheets etc)
5	Pacing and timing	The lesson was well paced, with activities moving smoothly and maintaining learners engagement throughout.
6	Monitoring and feedback	Effective monitoring enabled the teacher to identify students' needs and provide appropriate guidance during activities. eg: questioning, encouraging etc.
7	Communicative focus of materials, tasks, and activities	Teacher had focused on preparing relevant materials, activities and tasks for learners to understand the content.
8	Balance and variety of tasks	The range of individual, pair and group activities maintained a well-balanced learning environment.
9	Appropriateness of Teaching methodologies	The teacher had planned the lesson with all stages presentation practice and production. Different activities and tasks were included in each stage.
10	Facilitation of students' independent learning	Teacher facilitated convenient atmosphere for students independent learning. Engaged with clear instructions and I.C.Q.s

Positive features of the lesson:

The effective planning of the lesson helped the teacher to continue a successful lesson.

The materials, tasks and activities were supportive for the lesson and made the content easy to understand.

The teacher demonstrated a sound subject knowledge and explained concepts clearly.

Points to work on for the next lesson:

Give more opportunities for students to work more on your teaching materials and offer them more practical ideas for continuous improvement.

Overall comment:

This was a successful lesson that reflected good planning and effective teaching practices. Learners were actively engaged, supported creating an inclusive and productive classroom atmosphere.
